NEWSLETTER NO: 111 JANUARY 1993

GOOD WISHES FOR 1993 TO ALL RESIDENTS OF THE BRENTHAM ESTATE

## ANNUAL GENERAL MEETING

The meeting was held at the Brentham Club on November 12 1992 and the hall was full. Last year's AGM minutes and the Treasurer's Report were accepted as presented.

The meeting approved one change in your committee: Barbara Murray wished to retire after many years of dedicated service to this Society. This was accepted with much regret. Tony Oliver expressed our thanks to Barbara and presented her with a gift token. Gunda Cannon was elected as Secretary.

Tony Oliver also presented a bottle of champagne to Charles Rigg as a token of our appreciation for his many years of service as Area Co-ordinator for the Neighbourhood Watch Scheme.

The problem of cycling on pavements was discussed although no immediate solution was forthcoming. It was considered, that in view of the dangers from traffic, parents would continue to allow their younger children to cycle on the pavement.

The question of through traffic using Meadvale Road was raised. It was suggested that traffic calming measures should be investigated. Residents views on this matter would be appreciated.

Several residents voiced concern over inadequate street lighting. The Committee promised to look into possible improvements.

## FENCES AND GATES

It has been noticed that certain alterations have been carried out to fences and gates on the estate without reference first being made to the Council's Planning Department. Residents may like to be reminded that permission is required for the erection or construction of gates, fences, walls or hedges, or other means of enclosure, whether at the front, side, or rear of the property. Advice should first be sought before any such work is carried out. This can be obtained from the Council's Conservation Officer, Simon Fisher (758 5651) or informally from the Brentham Society's Advisory Panel Representative, David Humphries (997 5424)

### NEIGHBOURHOOD WATCH

The Neighbourhood Watch would like to inform ALL THE RESIDENTS that it will soon be organising a Special Meeting at the Brentham Club which will be attended by Inspector Paul Burt who is looking forward to meeting some Brentham Residents and who will give a short talk. The meeting will also be attended by a Crime Prevention Officer who will be pleased to give advice on home security and display some burglar deterrents. Following the recent resignation of Charles Rigg, (Area Co-ordinator) Mr. Paul Fodrio (998 6242), Mrs. Lucienne Donnelly (998 1474) or the local police may be contacted on matters pending the replacement of Mr Rigg.

### MEMBERSHIP 1993

Your subscriptions for 1993 are now due. They represent excellent value at just £1 per household. Please pay your subscription to any committee member, in an envelope please, with your name and address.

Street collectors are required to collect subscriptions from some of the roads. If you are interested in helping out please telephone Heather Moore on 998 0234.

We are trying a new method of collection in MEADVALE ROAD and will extend it, if successful, to the rest of the Estate. MEADVALE ROAD RESIDENTS, please put your subscription in the attached envelope, include your name and address on the outside and deliver it to 8 Meadvale Road. Your membership card will be delivered to you in due course. Thank you.
